IV. Statement of facts

19. Historically the CITY and DOCS have showed deliberate indifference and negligence towards the disabled inmates being confined in its detention facilities, and have not follow mandates of the law or the American with disability Act, nor Rehabilitation Act of 1973. WHEREAS, the United States of of Amercia had to bring a civil action against the New York City Department of Correction to enforce a voluntary compliance of the public entity, and several other class action law suits brought over the years against the CITY for violations of the ADA and individual inmate rights, see Bennett v. City 07-CV-2823, (RPP) settlement agreement.

20. Prison health Services, (PHS) which merged with CORIZON HEALTH, INC their servants, agents, affiliated physicians, assistants, residents, interns, aides, employees and/or medical personnell at the North Infirmary Command, ("NIC") have showed deliberate indiference and negligence towards disabled inmates in its custody in such a manner as to manifest a disregard for safety and well-being of the plaintiffs herein, and not in accordance with the good and accepted standards of medical care and practice. thereby causing several plaintiffs to sustain unnecessary injuries pain and suffering, and permitting plaintiffs conditions to worsen and deteriorate.

21. In general defendants showed deliberate indifference to medical needs and reasobale accommodations of disabled prisoners being held in its custody, and particulary neglected those of all of the plaintiffs in this action in one spect or another.

22. Disabled inmates with severe medical problems, amputations, drop ~~feet~~ and ~~other ailments~~ are being subjected to cruel and harsh treatment by DOCS ~~persohell~~, whom are not trained to deal with disabled inmates and forced to give up their personal supportive footwear

with cushioning in violation of DOCS own policy and procedures for non supportive DOCS footwear without cushioning, which has been known to be defective, cheap and unsupportive and not even suitable for non disabled inmates, which causes injuries, pain and suffering. Disabled inmates are being forced to undergo unnecessary and expensive evaluations and hospital trips to Bellvue to acquire a standard strap sneaker named "APEX" which allegedly is being issued under the pretense that its an orthopedic sneaker, startlingly its just a double width sneaker with two straps.

23. There is no reasonable accommodations being afforded to DOCS disabled inmates by DOCS or CORIZON HEALTH, INC. employees no matter how many complaints, grievances or lawsuits are submitted, and the policy makers have repeatedly failed to take action, or even follow lawsuit settlement agreements, policies and procedures which is a result of a failure to train, supervise or discipline staff and deficient management.

24. There is no fire exit in the NIC law library which is safe and accessible for disabled inmates in wheelchairs and it does not comply with the ADA, which was part of a stipulation and settlement agreement in the Bennett V. City Class action. 07-CV-2823 (RPP).

25. There is no Wheelchair foodtrays being offered or available to wheelchair bound inmates during meal time as per the Bennett v. City settlement agreement. see 07-CV-2823 (RPP).

27. DOCS has failed to train any of its employees or staff on ADA issues, or reasonable accommodations or how to deal with disabled inmates in general which subjects them to cruel and unusual punishment pain and suffering.

28. DOCS is not ensuring that Dorm# 3 which houses disabled inmates is cleaned and sanitized on a daily basis leaving disabled inmates whom are legally blind and wheelchair bound to clean the bathroom, living quarters and shower area, when there is civilian institutional aide paid \$18.00 Dollars an hour to service the Dorm at NIC.

29. DOCS has failed to comply with the settlement agreement of the Bennett class 07-CV-2823 to obtain (12) medical beds with safety bars in Dorm #3, there is currently (9) beds and was just previously (3) for a couple of years, when several disabled inmates in Dorm#3 are in dire need of medical beds.

30. The grievance procedure is inadequate, there is NO hearings being held for grievances, and the Grievance coordinator is failing to handle the processing of the Grievances in accordance to policy and procedure, there is no responses to grievances or appeals and the grievances of disabled inmates are not being forwarded to the ADA coordinator in accordance to law and policy and procedure. 28 C.F.R 35.107(b);

31. DOCS has not designated a responsible employee to coordinate DOCS efforts to comply with DOCS obligations under the ADA with respect to DOCS inmates in accordance to the Settlement agreement between the United States of America and the New York City Department of Correction and 28 C.F.R 35,107.

32. DOCS employees took down all signs posted in the ADA Dorm #3 of any previous settlement agreements, grievance procedures and postings relating to disabled inmates rights or whom to complain too, and stated in sum and substance that Dorm#3 is no longer a ADA Dorm.

33. Disabled inmates whom are in pain and suffering have no access to medical Doctors on the weekends or after 3:00pm. and have to go to another housing area to receive medical treatment and supplies, which causes urine infections, kidney infections, bed sores and unfettered progression of the disabled inmates condition, in allowing and permitting the disabled inmates condition to worsen and deteriorate.

34. CORIZON HEALTH, INC. are agents and employees of the CITY OF NEW YORK and/or DEPARTMENT OF CORRECTION, including correction officers, nurses, doctors, and other medical personnel, negligently cared for and showed deliberate indifference to the plaintiffs who are disabled being held in it's detention facilities.

35. The disability Dorm which houses disabled inmates has failed to be maintained in a good and safe condition or leak free, and has not been structurally sound and still requires repair or replacement, and constantly leaks in the living quarters of disabled inmates when it rains or the snow melts, whereupon buckets have to be placed throughout the living quarters of the dorm and creates an hazardous, dangerous conditions.

36. The mail processing system at the prison is extremely inadequate in delivering of inmates mail, mail is frequently lost or misplaced and not delivered or picked up on time and DOCS is not following it's own policy and procedure of advancing indigent prisoners postage to pay for certified mail return receipt for legal mail when it's an court requirement, therefore denying inmates access to the courts.

DOCS failed to ensure that its employees are trained about the procedures or are properly disciplined for non-compliance with the procedures.

39. DDCS has failed to ensure that routine cleaning practices and protocols are carried out and enforced; those protocols require among other things, that an exterminator service Dorm #3 at least one time per week and take all necessary measures, consistent with inmates health and safety, to eliminate vermin and insect infestation, which there is an insect infestation of spiders.

40. DDCS has failed to employ non-disabled inmates to assist disabled inmates in Dorm #3 with their daily living needs, DDCS was required to provide no fewer than two (2) Inmate Assistants to be on duty at any one time between the hours 7:00a.m. to 11:00 p.m., and shall provide no fewer than one (1) Inmate to be on duty between the hours of 11:00p.m to 7:00 a.m., however there is days when no inmate assistance is even available and if there is it's only one when additional assistants where needed, but DDCS staff are utilizing the inmate assistant's to do other job titles like work the messhall for DDCS instead of being sent to Dorm#3 to work and assist disabled inmates as per policy and procedure and previous settlement agreement, and creates unsafe conditions for disabled inmates whom need assistance.

41. CORIZON HEALTH, INC, their servants, agents, affiliated physicians, physician assistants, residents, interns, nurses, aides, employees and/or medical personnel at the North Infirmary Command, ("NIC") has failed to adequately care for its disabled inmates in its care, and have showed deliberate indifference to their serious medical needs, in such a manner as to manifest and evidence for disregard for the safety and well-being of others, including the plaintiffs herein, and not in accordance with the good and accepted standards of medical care and practice, thereby causing plaintiffs, to sustain severe injuries .

42. The Federal Funding allocated to the CITY and DEPARTMENT OF CORRECTION for disabled inmates under the ADA is being diverted, circumvented, misappropriated, and not spent on equipment, supplies, or reasonable accommodations for the inmates held in its facilities.

43. The Disability Rights Coordinator has failed to ensure that procedures for the prompt and equitable resolution of ADA complaints by inmates and/or requests by inmates with disabilities for reasonable accommodations are in place, publicized, and implemented, by process, investigating, and promptly acting upon inmates complaints and/or for reasonable accommodations, and ensure that all DOC staff who interact with inmates with disabilities are provided with adequate and appropriate information and training on ADA issues.

44. The Disability Rights Coordinator has failed to ensure that inmates with disabilities are housed in facilities that accommodate their disabilities, and that all applicable DOC facilities and programs are ADA compliant.

45. The ADA Coordinator has yet to visit the North Infirmary Command to speak with inmates with disabilities or assist them with any complaints about their living conditions, treatment or train any DOCS employees about the Disability rights of inmates or DOCS procedures concerning ADA compliance and has falsified documents pertaining to the reasonable accommodations in place for inmates with disabilities which there is nothing even posted publicizing the Disability coordinators address, office address or telephone number.

46. Inmates with disabilities have been discriminated against by the NEW YORK CITY DEPARTMENT OF CORRECTIONS and the CITY OF NEW YORK. which it is pattern and practice of officially sanctioned behavior.
